Re: Universal Service Support Certification
CC Docket No. 96-45

Dear Ms. Dorch:

Enclosed for filing is the High Cost Universal Service Support Certification required in conjunction with CC Docket No. 96-45 executed by Acting Governor Ipulasi A. Sunia in his capacity as Acting Telecommunications Regulatory Commissioner for American Samoa.

As in prior years, it is unlikely that the original certification will arrive prior to the October 1st filing deadline due to American Samoa's remote location in the South Pacific and only two outgoing mail flights per week. Therefore, I am again kindly requesting that a facsimile copy of the certificate be accepted as compliance with timely filing subject to and pending receipt of the original certification which will be transmitted by priority mail.

Our Washington D.C. representative, Mrs. Jan Lipsen, is presenting the facsimile copy of the certification for filing. The original certification will also be directed to Mrs. Lipsen for subsequent delivery to you for recording.

A facsimile copy and duplicate original are being directed to Ms. Irene Flannery of Universal Service Administrative Company for filing.
